

## **28 26 00 Electronic Personal Protection Systems**

Revision 01/04/2019

**Purpose:**

The Architect and/or Engineer shall incorporate the Rice specific requirements indicated in this standard's section into their design. The Architect and/or Engineer shall further produce project specifications in line with industry standards that are updated to reflect these Rice specific requirements.

**1. Code Blue Emergency Call Stations.**

- a. During design development, Architect/Engineer shall meet with University Project Manager and Rice Police to determine the needs/quantities of Code Blue Phones Emergency Call Stations.
- b. Emergency Call stations shall be contracted separately by the Rice IT department. Architect/Engineer shall design power and communication to the stations as well as the concrete base.
